To: ISC Parents
Re: School uniforms
From: ISC administration

A change in uniform has been approved and is in effect for August 2010 to include khaki bottoms with ISC logo school polos, navy blue mesh shorts and gray ISC logo t-shirts for PE, school logo sweaters or jackets, closed shoes and sneakers.

A petition was written by a group of parents in disagreement with the khaki bottoms requirement and it was sent to all parents of ISC through email using our EdLine system. Later signatures were collected in support of this petition during the week of February 1 – 5, 2010. After reviewing the petition and signatures received, and taking into account the concerns of the parents in disagreement, the following has been decided:

- Khaki bottoms will remain the only bottoms for ISC's school uniform as of August 2010.
- In order to make the purchase of khaki bottoms easier for parents the school administration has decided that
 - Khaki bottoms can be purchased at Land's End, our School Store, or any other store carrying the khakis on the island or abroad.
 - In order to ensure similarities in the khaki color to meet uniform requirements a sample piece of material will be available for parents at the School Store.
 - Our School Store will carry a significant amount of khaki bottoms to supply our school population but it is not a requirement to buy them in school.
 - ISC has also confirmed that Land's End sells 100% cotton khaki bottoms and that their merchandise is treated for stain resistance and wrinkles.
 - ISC is working with a local provider of school uniforms to supply khaki bottoms in the near future to ISC. We will inform parents if we are able to get to an agreement.

We thank all parents for their concerns and suggestions and expect this compromise will be helpful in solving some of the problems perceived by parents in the adoption of uniform khaki bottoms. As always your cooperation is highly appreciated!
